

Men's Retreat: Student Application

Being a part of the FBC Men's Retreat is a special privilege. At retreat we have authentic fellowship, meaningful conversations, and loads of fun. As a young man in high school, we believe you have the potential to enjoy, learn, and grow through being a part of this retreat and spending time with older godly men.

It is vital that your motivation for attending is right, and that you understand the standard of maturity that comes with such a privilege. This opportunity is specifically for students who already attend Family Bible Church consistently, are faithfully involved in Crossways, and who have demonstrated a desire to go deeper in their walk with God and learn from the wisdom of godly men.

If you would like to pursue attending this year's Men's Retreat, please complete this application and return it to Tim Klontz ASAP.
